# EuroTEST

## Working together for integrated testing and earlier care

*Addressing Hepatitis, HIV, STIs and TB*

## See you soon in Dublin!

We look forward to welcoming you to Dublin next week.

Be sure to download the conference app to stay up to date with everything taking place throughout the conference, from side meetings and sessions to the poster walk, photo exhibition, and other exciting surprises

## Conference app and website

You can find all information about the conference in the HepHIV2026 Dublin Conference app

Information about the conference including the scientific programme can also be found on the conference website

## Photo exhibition

**PLHIV Documentary: Seeing Beyond the Diagnosis**
*A portraiture documentary with People Living with HIV*

Steven Doyle is a Registered General Nurse and documentary photographer from Dublin whose work centres on social issues and human resilience. Since around 2019 he has been creating an ongoing portraiture documentary with people living with HIV, combining intimate portraits and interviews to challenge stigma. He is working to bring the project to a wider audience through exhibitions and publications.
