28-30 JANUARY · BUCHAREST

POCKET PROGRAMME

HEPHIV 2019 BUCHAREST CONFERENCE

CHALLENGES OF TIMELY AND INTEGRATED
TESTING AND CARE

BUCHAREST, 28-30 JANUARY, 2019

WELCOME TO THE HEPHIV 2019 BUCHAREST CONFERENCE

ON BEHALF OF THE HEPHIV 2019 CONFERENCE
ORGANISING COMMITTEE

JÜRGEN ROCKSTROH
MD, Professor of Medicine and Head of the HIV Outpatient Clinic, University of Bonn
Co-chair HepHIV 2019 and HIV in Europe

DANIEL SIMÕES
Institute of Public Health, University of Porto,
Member of the Board of GAT
Co-chair HepHIV 2019 and HIV in Europe

ADRIAN STREINU-CERCEL
Professor, Head of Infectious Diseases Department of the Carol Davila University of Medicine and Pharmacy,
Manager of National Institute of Infectious Diseases "Prof. Dr. Matei Bals" Bucharest
Local Co-chair HepHIV 2019

THE HEPHIV 2019 BUCHAREST CONFERENCE IS UNDER THE PATRONAGE OF
THE ROMANIAN PRESIDENCY OF THE COUNCIL OF THE EUROPEAN UNION

THE HEPHIV 2019 BUCHAREST CONFERENCE IS ORGANISED BY:

MONDAY, 28TH JANUARY, 2019

Time		
9:00-16:00	INTEGRATE Partnership Forum Meeting	All INTEGRATE partners + AB members
12:30-19:30	Registration open	
Time	Room: Le Diplomate	Moderators and speakers
17:00-19:00	OPENING SESSION: Challenges of Timely and Integrated Testing and Care	Moderators: Jürgen Rockstroh, Daniel Simões, Adrian Streinu-Cercel
17:00-17:15	Welcome: Conference objectives and overview	Conference Chairs: Daniel Simões, Adrian Streinu-Cercel
17:15-17:30	Recent trends and testing initiatives in Romania	Minister of Health Romania, Hon. Sorina Pintea (TBC)
17:30-17:45	European Commission policy of integration of infectious diseases	Vytenis Andriukaitis, European Commissioner for Health and Food Safety (by video)
17:45-18:00	HIV and HCV trends in the EU	Andrew J. Amato Gauci, European Centre for Disease Prevention and Control (ECDC)
18:00-18:15	The WHO targets in the European Region	Masoud Dara on behalf of Regional Director Zuzanna Jakob, WHO Regional Office for Europe
18:15-18:30	European Community Perspective on stigma as a continued barrier to testing for Hepatitis/HIV	Sini Pasanen, Civil Society Forum
18:30-18:45	The HIV in Europe initiative – past, present and future	Brian Gazzard, Chelsea and Westminster Hospital
19:00	Reception – Les Collonnades	

REGISTRATION OPENING HOURS:

Monday, 28th January 12:30-19:30
Tuesday, 29th January 08:15-18:30
Wednesday, 30th January 08:15-16:15

TUESDAY, 29TH JANUARY, 2019

Time	Room: Enescu 1	
7:00-8:30	Diagnosics Meeting Open meeting, agenda under Side Meetings	
Time	Room: Le Diplomate	Moderators and speakers
8:45-10:15	PLENARY SESSION 1: Epidemiological and testing policy overview: where are we in reaching the targets?	Moderators: Cristiana Oprea and Nikos Dedes
8:45-9:00	Monitoring the response to Hepatitis and HIV in Europe and Central Asia: Are we on track to reach agreed targets?	Teymur Noori, European Centre for Disease Prevention and Control (ECDC)
9:00-9:15	HIV and viral hepatitis response under UHC approach – WHO Guidance on testing strategies and linkage to care	Elena Vovc, WHO Regional Office for Europe
9:15-9:30	People Who Inject Drugs and prisoners: Priority populations for testing	Jane Mounteney, European Monitoring Centre for Drugs and Drug Addiction (EMCDDA)
9:30-9:45	Affordability and cost-effectiveness of hepatitis and HIV testing	Yazdan Yazdanpanah, Institut national de la santé et de la recherche médicale (INSERM)
9:45-10:15	Discussion	
10:15-10:45	Coffee break: Les Collonnades	
10:45-12:30	PLENARY SESSION 2: Combination prevention	Moderators: Brian West and Deniz Gökengin
10:45-11:00	PrEP – effective community mobilization	Will Nutland, PrEPster
11:00-11:15	HCV Prevention and Testing in Harm Reduction Programs	Jason Farrell, Correlation Network
11:15-11:30	The evidence behind U=U	Valentina Cambiano, University College London
11:30-11:45	Implementation of self-testing in the countries of Eastern Europe: Belarusian experience	Viatcheslav Grankov, WHO Country Office in Belarus Sniazhana Biadrytskaya, National Center for Hygiene, Epidemiology and Public Health
11:45-12:00	Partner notification: high potential but limited implementation	Tom Platteau, HIV/STI clinic of the Institute of Tropical Medicine in Antwerp
12:00-12:30	Discussion	
12:30-13:30	Lunch: Les Collonnades	
12:40-13:20	European Testing Week Meeting: Regina Maria 2 Open meeting, agenda under Side Meetings (bring your lunch to the meeting)	

TUESDAY, 29TH JANUARY, 2019

Time	Room: Le Diplomate	Room: Regina Maria 2
13:30-14:45	PARALLEL SESSION 1: Monitoring and Evaluation Moderators: Dagmar Hedrich and Jordi Casabona	PARALLEL SESSION 2: Combination Prevention Moderators: John S. Lambert and Lella Cosmaro
13:30-13:45	PS1/01 High contribution, low public funding: Southern European Checkpoints' role in HIV detection in 4 countries Miguel Rocha	PS2/01 On Social Media Mining for HIV Pre-Exposure Prophylaxis Christine Kakalou
13:45-14:00	PS1/02 HIV dynamics in the most affected area of Europe: a tale of two countries Lise Marty	PS2/02 HIV infection and associated risk factors among Female (Cis & Trans) and Male Sex Workers in Greece: Innovative evidence by "Red Umbrella Athens" Maria Xanthaki
14:00-14:15	PS1/03 "Routine testing" as primary reason for getting tested for HIV in MSM: results from the first participants enrolled in the COBA-Cohorts project Nicolas Lorente	PS2/03 A nationwide combination prevention success in England: intensified testing and earlier treatment controls HIV transmission in men-who-have-sex-with-men as well as benefiting others Noel Gill
14:15-14:30	PS1/04 National multi-stakeholder produced standards for HIV partner notification improve outcomes Ann K. Sullivan	PS2/04 Programmatic Mapping and Size Estimation of Key Populations in two major cities in Turkey: Istanbul and Ankara Deniz Gokengin
14:30-14:45	PS1/05 Independent of injecting drug use, being a foreign national is associated with risk of reactive HCV screening in European community-based testing services in 2017 Anna Conway	PS2/05 Contribution of anonymous partner notification service on HIV/sexual transmitted infection (STI) detection at a community-based sexual health centre for men who have sex with men (MSM) Miguel Rocha
14:45-15:00	Short break	

TUESDAY, 29TH JANUARY, 2019

Time	Room: Le Diplomate	Moderators and speakers
15:00-16:15	PLENARY SESSION: Fast track cities initiatives: How to expand to other disease areas	Moderators: Valerie Delpech and John de Wit
15:00-15:15	HIV stigma and testing – can global/regional initiatives help push the agenda?	Yusef Azad, National AIDS Trust
15:15-15:30	Short interventions on local experiences: Successful models for 90-90-90 for HIV and TB, community involvement and municipal leadership	Tetiana Deshko, Ukrainian Alliance for Public Health Maia Tsereteli, HIV/AIDS, Hepatitis, STI & TB Division at the National Center for Disease Control and Public Health Georgia
15:30-16:15	Round Table Discussion Fast track cities in EE: The role of FTC in the response to other epidemics Panel members: Yusef Azad, National AIDS Trust Tetiana Deshko, Ukrainian Alliance for Public Health Maia Tsereteli, HIV/AIDS, Hepatitis, STI & TB Division at the National Center for Disease Control and Public Health Georgia Udi Davidovich, Amsterdam Public Health Service, University of Amsterdam Wolfgang Philipp, DG Sante Luxembourg Bertrand Audoin, International Association of Providers of AIDS Care, IAPAC Sophocles Chanos, Athens Checkpoint - Positive Voice	
16:15-17:00	Poster session: Regina Maria 1 and Coffee Break in Les Collonnades	
17:00-18:30	PLENARY SESSION: EU Health Project Symposium: Integrated Testing and Synergies	Moderators: Wolfgang Philipp and Jens Lundgren
17:00-17:15	Service integration – Reaching the homeless population	John S. Lambert, HepCARE
17:15-17:30	Options for integrated TB, HIV and hepatitis service delivery in Romania	Gerard de Vries, E-detect TB
17:30-17:45	INTEGRATE JA: Innovation of disease specific tools into an integrated ICT combination prevention tool	Lella Cosmaro, Lila Milano/INTEGRATE
17:45-18:00	Integrated testing and services to people who use drugs	Alexandra Gurinova, HA-React
18:00-18:15	Staff training: A way to strengthen integrated prevention and health care for MSM	Matthias Kuske, Deutsche AIDS Hilfe & Barrie Dwyer Terrence Higgins Trust, Esticom
18:15-18:30	Discussion	
20:00	Conference Dinner: Restaurant Caru' cu bere Stavropoleos 5, Old Town Area, Bucharest (Information about transport on last page)	

WEDNESDAY, 30TH JANUARY, 2019

Time	Room: Le Diplomate	Moderators and speakers
8:30-10:00	PLENARY SPECIAL SESSION: The elimination of HIV and hepatitis agenda: What needs to be done?	Moderators: Jeff Lazarus and Liudmyla Maistat
8:30-8:40	Short report from Conference Day 1	Conference chairs
8:40-8:55	Possibilities with new testing algorithms and technologies	Anita Sands, WHO Geneva
8:55-9:10	Micro-elimination of hepatitis in prisons	Fadi Meroueh, Unité Sanitaire de la Maison d'Arrêt de Villeneuve-lès-Maguelone (USMAV)
9:10-9:25	Testing as part of HCV elimination strategies – finding the missing millions	Francesco Negro, Geneva University Hospital/The European Association for the Study of the Liver (EASL) Governing Board
9:25-10:00	Panel Discussion: How does the integration agenda support the elimination agenda? Panel members: Anita Sands, WHO Geneva Fadi Meroueh, Unité Sanitaire de la Maison d'Arrêt de Villeneuve-lès-Maguelone (USMAV) Francesco Negro, Geneva University Hospital/The European Association for the Study of the Liver (EASL) Governing Board Dagmar Hedrich, European Monitoring Centre for Drugs and Drug Addiction (EMCDDA) Jessica Hicks, World Hepatitis Alliance Ganna Dovbakh, Eurasian Harm Reduction Association (EHRA) Sergey Golovin, International Treatment Preparedness Coalition (ITPC) Antons Mozalevskis, WHO Regional Office for Europe Tatjana Reic, European Liver Patients' Association (ELPA)	
10:00-10:30	Poster session: Regina Maria 1 and Coffee Break in Les Collonnades	
Time	Room: Le Diplomate	Room: Regina Maria 2
10:30-11:45	PARALLEL SESSION 3: Integrated Testing Strategies Moderators: Sini Pasanen and Masoud Dara	PARALLEL SESSION 4: Linkage to Care Moderators: Yusef Azad and Peter Vickerman
10:30-10:45	PS3/01 The ENABLE study: High prevalence of undiagnosed blood borne virus infections (HBV, HCV, HIV) in urban emergency department attenders in England – a case for opportunistic testing?	PS4/01 Hepcheck- Enhancing HCV identification and linkage to care for vulnerable populations through intensified outreach screening
	Zameer Mohamed	John S. Lambert

Time	Room: Le Diplomate	Room: Regina Maria 2
10:45-11:00	PS3/02 SH:24 – An online sexual health service using digital technology to increase access to HIV testing in London Gillian Holdsworth	PS4/02 HepLink: Findings from a Multi-centre Observational Study in Primary and Community Care Irina Ianache
11:00-11:15	PS3/03 Tuberculosis in the time of HIV: what impede the injecting drug users (IDUs) from Romania to address diagnosis and treatment services for TB? Results from a mixed methods study Ludmilla Verdes	PS4/03 Processes of data collection on HIV, viral hepatitis and STI testing and linkage to care at national level in European countries: a review for the INTEGRATE Joint Action Anna Conway
11:15-11:30	PS3/04 Hepatitis B and C testing strategies in healthcare and community settings in the EU/EEA: a systematic review Lara Tavoschi	PS4/04 Community-based HIV testing in Europe: a systematic review Sara Croxford
11:30-11:45	PS3/05 Evidence-based public health guidance for integrated HBV, HCV and HIV testing in Europe Ann K. Sullivan	PS4/05 Can We Report the Status of a Cascade of Care for Viral Hepatitis B and C in Romania? The Experience of Baylor Foundation's Hepatitis Screening and Care Program in Dobrogea Region between 2010 - 2018 Ane-Maria Schweitzer
11:45-12:45	Lunch: Les Collonnades	
12:45-14:15	PLENARY SESSION 3: Linkage to care and treatment for better outcomes: Good models and challenges	Moderators: Nino Tsereteli and Andrew J. Amato Gauci
12:45-13:00	Defining linkage to care and challenges in monitoring	Valerie Delpech, Public Health England
13:00-13:15	Engaging with key populations; testing and linkage to care in primary care and community settings	Margaret Hellard, The Burnet Institute
13:15-13:30	Community Based Testing as part of the National formal strategies for early diagnosis and treatment of HIV/STI and Viral Hepatitis	Jordi Casabona, Catalan Public Health Agency (CEEISCAT)
13:30-13:45	The role of civil society in the integration of services and linkage to care in key populations	Eberhard Schatz, Correlation Network
13:45-14:15	Discussion	
14:15-14:30	Coffee break: Les Collonnades	

Time	Room: Le Diplomate	Moderators and speakers
14:30-16:15	CLOSING SESSION: Integration of services	Moderators: Ann Sullivan and Jürgen Rockstroh
14:30-14:40	Short report from Conference Day 2 and Best Poster Award	Conference chairs
14:40-15:00	Integration of services in the personalized medicine agenda: Integrating disease areas and settings	Jens Lundgren, CHIP, Rigshospitalet, University of Copenhagen
15:00-15:20	Quality of Life and Participation and integration of patient voices in decision making and the response to HIV and Viral Hepatitis	Ricardo Baptista Leite, Member of Portuguese Parliament
15:20-15:40	Quality of life indicators	Richard Harding, Kings's College London
15:40-16:00	Challenges ahead in Eastern Europe and Central Asia	Michel Kazatchkine, UN and Graduate Institute, Geneva, Switzerland
16:00-16:15	Conference call to action	Conference chairs

BEST POSTER AWARD!

Vote for the BEST POSTER in the conference app.

Go to "Survey" and "Poll for Best Poster Award" in the app.

You can rate from 0-5 stars.

The Best Poster Award winner will be announced in the Closing Session.

SIDE MEETINGS

DIAGNOSTICS MEETING: IMPLEMENTING HIV, HBV AND HCV TESTING GUIDANCE IN THE REAL WORLD, BEYOND MEDICAL SETTING AND USING TESTING TECHNOLOGY EFFECTIVELY

Date: 29th January at 7:00-8:30 am

Registration: Open for all participants of the HepHIV2019 conference

Participants: ECDC, WHO, community and civil society organizations providing screening services, clinical societies, diagnostics companies, other national/international public health agencies

Objective of the meeting: The meeting should increase understanding of the new ECDC testing guidance, ways to foster implementation at the local level from the perspectives of different actors, as well as indications of further “game-changer” screening approaches to improve the health outcomes of key affected populations.

Time	Enescu 1
07:00-07:05	Introduction
07:05-07:15	What is new in the ECDC testing guidance, <i>ECDC</i>
07:15-07:25	Debrief from WHO regional meeting on testing, <i>WHO</i>
07:25-07:35	Questions/feedback/challenges
07:35-08:05	Opportunities offered by new technologies and challenges
08:05-08:20	Discussion on promising approaches/paths
08:20-08:30	Wrap-up

THE IMPACT OF EUROPEAN TESTING WEEK AND HOW TO EXPAND ITS REACH

Date: Tuesday, 29th January 2019, 12:40-13:20 pm

Registration: Open for all participants of the HepHIV2019 conference

Meeting description: In May 2018, European Testing Week (ETW) piloted its first Spring European Testing Week pilot in collaboration with the European Liver Patients’ Association (ELPA) and the EU-funded INTEGRATE Joint Action, in addition to its usual Autumn ETW in November. This was the sixth year of the ETW campaign with over 700 organisations registered to participate. This meeting will present the assessed impact of the initiative and discuss how to expand its reach for future ETWs.

Time	Regina Maria 2	Moderators and speakers
12:30-12:40	Preliminary results from the evaluation of the 2018 November ETW	Ben Collins (ReShape and International HIV Partnerships)
12:40-12:50	The European Test Finder and collaboration with social networking applications	Chamut Kifetew (Terrence Higgins Trust)
12:50-13:00	Experiences and challenges as a participating ETW organisation	(TBD)
13:00-13:10	Results from the May 2018 Spring European Testing Week pilot	Marinela Debu (ELPA and APAH-RO)
13:10-13:20	Discussion/Plans for 2019	

POSTER SESSIONS: TUESDAY 29TH JANUARY FROM 16:15-17:00 AND WEDNESDAY 30TH JANUARY FROM 10:00-10:30

POSTER CATEGORY 1: MONITORING AND EVALUATION

PO1/01 Impact of Adam’s Love Online-to-Offline (O2O) model in monitoring and evaluation of HIV prevention cascade among men who have sex with men (MSM) [T. Anand](#)

PO1/02 Screening for hepatitis B virus and accelerated vaccination schedule in prison: A pilot multicenter study [C. Stasi](#)

PO1/03 Missed opportunities for HIV testing of patients diagnosed with an indicator condition in primary care in Catalonia, Spain [C. Agustí](#)

PO1/04 New diagnoses of HIV in Catalonia and socioeconomic inequalities: Spatial-temporal representation with ring maps [C. Agustí](#)

PO1/05 Hepcare Europe Manifesto [J. Lambert](#)

PO1/06 HIV prevalence and associated risk factors among Men who have Sex with Men (MSM) in Greece: A community-based approach [S. Chanos](#)

PO1/07 Second generation HIV surveillance in people asking for HIV testing for preventive reason in Slovakia [D. Staneková](#)

PO1/08 Hepatitis C prevalence in Bulgaria – A stand-alone prevalence survey in the general population [J. Sperle](#)

PO1/09 An International Collaboration on Hepatitis C Elimination in HIV – Coinfection (InCHEHC) – a cohort profile [M. Hellard](#)

PO1/10 Gilead Sciences’ Commitment to Global Elimination of Hepatitis C Virus [D. Medina](#)

PO1/11 A threshold analysis for the cost-effectiveness of hepatitis B and hepatitis C testing in emergency departments in the UK [J. Williams](#)

PO1/12 Results of HIV, HCV and HBV rapid testing among key populations in Lviv region, Ukraine [T. Pidkova](#)

PO1/13 Pilot HIV/HCV rapid testing project for policemen in Lviv region of Ukraine [R. Shtybel](#)

POSTER CATEGORY 2: COMBINATION PREVENTION

PO2/01 Having to tell: Mandatory disclosure of being HIV+ in healthcare settings in the WHO European region [S. Beaumont](#)

PO2/02 Workshop: Community Designed Tool Kit to Integrate HCV Testing in HR Programs [J. Farrell](#)

PO2/03 Let’s talk about Sex: HIV/STI prevention in medical practice. Promoting testing and diagnosis via communication trainings for doctors and medical students. A cooperation project by Deutsche AIDS-Hilfe, medical associations, the Federal Centre for Health Education (BZgA) and universities [M. Leibnitz](#)

PO2/04 Electronic Directly Observed Therapy (e-DOT) for PrEP adherence among Thai men who have sex with men: a feasibility randomized controlled trial [C. Nitpolprasert](#)

PO2/05 Esticom: Developing a Training Programme to help improve the skills and knowledge of Community Health Workers working with MSM on HIV, STI and Viral Hepatitis. [B. Dwyer](#)

PO2/06 Informal PrEP use in a cohort of MSM in Southern Spain [M. Reiriz Rojas](#)

PO2/07 Does Pre-test Counselling Increase Specific Types of Knowledge about Transmission of HIV and Viral Hepatitis B and C? [A. Schweitzer](#)

PO2/08 ESTICOM Trainings for Community Health Worker (CHW) in Europe: first results of the Europeanwide training programme for CHW that work in the gay community [M. Kuske](#)

PO2/10 Incidence of sexually transmitted infections before and after pre-exposure and postexposure prophylaxis for HIV [L. Apers](#)

PO2/11 Stigma and the HIV response among HIV-negative men who have sex with men in The Netherlands: new evidence from the 2018 Survey of Men and Sexuality (SMS) [J. de Wit](#)

POSTER CATEGORY 3: INTEGRATED TESTING STRATEGIES

PO3/01 After the trial is over: effective implementation of the RHIVA2 research programme promoting HIV testing and diagnosis in east London primary care [W. Leber](#)

PO3/02 The Greek "Checkpoint" success story in safeguarding public health: First community-based prevention and testing centre in Greece diagnoses 30% of the 2017 national HIV cases [S. Chanos](#)

PO3/03 Implementation of HIV infection hospital-based active case finding in Sardinia, Italy: Results from the shot project [M.S. Mameli](#)

PO3/04 A qualitative study of acceptability of rapid screening for HIV, Hepatitis B, and Hepatitis C among migrants in France (STRADA study) [E. Thonon](#)

PO3/05 Low access to HIV and HCV testing among People Who Inject Drugs (PWID) in Poland. Cross-sectional multicenter study 2017 [K. Zakrzewska](#)

PO3/06 How can we test for HIV, HCV and syphilis – experience from Polish NGO [M. Ankiersztejn-Bartczak](#)

PO3/07 Evaluation of a new strategy for screening migrants: the STRADA study design [F. Thonon](#)

PO3/08 S.A.M: the new homesampling service in Germany [M. Tappe](#)

PO3/09 The cost-effectiveness of an HCV outreach intervention for at-risk populations in London, UK [Z. Ward](#)

PO3/10 Two years on the road to Meet, Test and Treat Sex Workers in Rome: the need for targeted interventions [E. Teti](#)

PO3/11 2017 analysis from the community checkpoint in Cologne: Are we reaching the at risk patient populations for HIV and other sexually transmitted diseases (STIs)? [J. Rockstroh](#)

PO3/12 Prevention and promotion of welfare: the importance of conducting community screenings for HIV infection [F. Aguiar](#)

POSTER CATEGORY 4: LINKAGE TO CARE

PO4/01 HIV self-sampling and self-testing in Europe: a systematic review [S. Croxford](#)

PO4/02 HepCare Europe – HCV screening and linkage to care in key populations from the Romanian clinical site [I. Ianache](#)

PO4/03 Adherence to Antiretroviral Treatment among the People Living with HIV in Armenia [T. Balayan](#)

PO4/04 Case Management Program for HIV among MSM in Kyiv, Ukraine and linkage to care, at the context the implementation of UNAIDS 90-90-90 Strategy [A. Chernyshev](#)

PO4/05 Micro-elimination as a strategy for improved access to testing and linkage to care for viral hepatitis C amongst high-risk groups in Europe [S.R. Stumo](#)

PO4/06 „Be my buddy“ How peer educators can support linkage to care and fight stigma [T. Vogler](#)

PO4/07 1 million rapid HIV tests: results of innovative AHF testing and linkage to care programs across Europe [A. Zakowicz](#)

PO4/08 Community-based HIV rapid testing services and linkage to care at multicountry testing initiatives during European Testing Weeks 2014-2017 [A. Zakowicz](#)

PO4/09 To achieve the 90 90 90 treatment targets in Turkey, HIV testing needs to be scaled up [D. Gökengin](#)
